**THE EVENING HERALD**  
10 CENTS PER WEEK, OR \$5.00 PER ANNUM.

The Herald Company makes, at the outset, no boasts of what it will do—it expects to win success through merit. It will "have no ax to grind" nor private interest to guard; it will advocate Democracy, pure and simple, but will not play the role of party "organ." It believes that it will supply a long felt want, and fill a field long unoccupied in this city. Its first aim and highest ambition will be to actively aid in upbuilding the material interest of our city and State. It will endeavor to issue a clean newspaper, one that may safely enter any home in the land. It aims and hopes to win the friendship of the public, as on this point it demands no graces.
